

# 2009 JET SKI®

800 SX-R

**Kawasaki**  
Let the good times roll.™

# 800 SX-R™

Jet White/Ebony

The tricks you pull off are as original as the 800 SX-R™ watercraft itself. Capitalizing on the success of the original stand-up JET SKI®, the 800 SX-R watercraft has evolved to have more usable power and combined with a larger and more stable hull—make this the easiest to ride stand up Jet Ski ever. Designed for adventurous solo pilots, it's superior carving and maneuverability gives those individuals seeking a little more freedom and independence—the feeling of being ONE with the water. And when you fire up the 781cc 2-stroke Marine In-Line Twin engine and rocket onto plane, you're going to have little time for pretenders. Like you, it's the real deal.

Delivering 80 horsepower\* from its 781cc 2-stroke Marine In-Line Twin engine, the JET SKI 800 SX-R watercraft is more than just fast – it also has the best power-to-weight ratio of any JET SKI watercraft in the Kawasaki lineup. Translation? Outrageous acceleration, fantastic handling response, and unmatched maneuverability on the fly.

As with all our models, a household-type hose connector makes it easy to flush out the 800 SX-R watercraft cooling system with fresh water after the ride. Just attach a garden hose, turn on the faucet, and the JET SKI watercrafts cooling system gets a cleansing bath. Special coatings for the engine's aluminum water jackets resist saltwater corrosion.

SPECIFICATIONS	800 SX-R™
Engine type	Two-stroke, two-cylinder
Displacement	781cc
Bore x stroke	82.0 x 74.0mm
Compression ratio	7.2:1
Induction system	Case reed induction
Horsepower	80 hp at 7,750 rpm*
Cooling system	Inducted water
Fuel system	Two BN40 Mikuni carburetors
Ignition	Digital DC-CDI

\*Measured in PS at the crankshaft under controlled conditions. Actual performance may vary.

\*\* Includes all necessary materials and fluids to operate correctly, full tank of fuel (more than 90% of capacity) and tool kit (if supplied)

### Safe Riding's More Fun

Ride responsibly. Kawasaki believes safety begins with us and continues with you. Never ride under the influence of drugs or alcohol. Respect the rights of shoreline

residents and other marine recreationists. Riding is more fun on a well-maintained machine...follow the instructions in your owner's manual. Remember, riding safe is smart.

Specifications subject to change without notice. Availability may be limited. Accessories available at extra cost. JET SKI watercraft are inboard boats and their use is subject to all applicable provincial and local boating laws. Always wear an approved personal flotation device, eyewear, and other appropriate safety apparel. **Action Photography:** Professional riders on a closed course.

### One Year Warranty

Your new Kawasaki JET SKI® personal watercraft comes with a 12-month limited factory warranty. Read the next paragraph to find out how you can extend your coverage inexpensively, or ask your dealer for details about the factory warranty and available extended coverage.

### Up to Three Years Additional Coverage\*

Let Kawasaki protect your new machine for years to come\* with the exclusive Good Times™ Protection Plan. This plan repairs or replaces most components free of charge if found defective in material or workmanship. Everything about the plan is easy: There's no deductible. It's honored at every authorized Kawasaki JET SKI watercraft dealer nationwide. And it's transferable to another owner with no fee. Just ask your dealer how you can buy additional coverage of 24 or 36 months. Imagine, for just pennies a day, you can ride with no worry and no hassle. Just tell your dealer you want the Good Times Protection Plan.

\*Depending on the program purchased.
